

Logging in to HELM Control Panel

1. Type in the following settings with information provided by the Administrator or Site Administrator:
 - a. In the **Full email address** box, type in your email like **yourname@yourdomain.com**
 - b. In the **Username** box, type in your account name.
 - c. In the **Password** box, type in the password.
 - d. Optional: **Remember Me** checkbox. This encrypts your login and password so that you do not have to re-log in when you return. You will need cookies enabled on your browser and remain logged in to SmarterStats before closing the browser.

The HELM logo is displayed on a green background. The logo consists of four colored squares (red, blue, yellow, green) arranged in a 2x2 grid, with the letters H, E, L, M below them. Below the logo is the text "The WebHosting Control System".

The login form is titled "Login" in green. It includes the following fields and options:

- Account Name:
- Login Name:
- Login Password:
- Language:
- Remember Me
-
- [Forgot Password](#)

Once you have logged in to HELM Control Panel, please click on **Online Help** located on the upper right of the page next to **My Login** and **Log Out** and click on any of the sub-sections for more information.
