

## Logging in to SmarterStats

1. In your browser, type in the URL link provided by the Administrator or Site Administrator. For example: **http://stats.domainname.com**.
2. Type in the following settings with information provided by the Administrator or Site Administrator:
  - a. In the **Site ID** box, type in the Site ID. For example: 57.
  - b. In the **Username** box, type in your account name.
  - c. In the **Password** box, type in the password.
  - d. Optional: **Remember Me** checkbox. This encrypts your login and password so that you do not have to re-log in when you return. You will need cookies enabled on your browser and remain logged in to SmarterStats before closing the browser.

The image shows a login form titled "Login to SmarterStats". It contains the following fields and options:

- Site ID**: A text input field.
- Username**: A text input field.
- Password**: A text input field.
- Language**: A dropdown menu currently set to "Use Browser Language".
- Remember Me**: A checkbox.
- Login**: A button with a key icon.
- Help**: A button with a question mark icon.

The SmarterStats dashboard provides various and detailed charts and reports. Once you have logged in to SmarterStats, please click on **Help** located on the upper right of the page and click on **Help Topics** for more information.
